JUNIOR SOFTWARE DEVELOPER + PROJECT MANAGER  
WWW.HAYDENBRADFIELD.COM

## OBJECTIVE

---

I am pursuing opportunities pertaining to software development and web development technologies. I strive to be a valuable asset for any company or individual needing web development services.

## SKILLS

---

Hypertext Markup Language (HTML5)  
Cascading Styling Sheets (CSS3)  
Syntactically Awesome Stylesheets (Sass/SCSS)  
JavaScript (ES6+)  
Document Object Model (DOM)  
TypeScript  
Angular 8+  
Ionic Framework 4+  
NodeJS w/ Express Framework  
PHP 7+  
Structured Query Language (SQL)  
MySQL RDBMS

## EXPERIENCE

---

### JUNIOR DEVELOPER • BLUESTONE APPS, LLC • JUNE 1 2020 - PRESENT

For this position, I was tasked with coordinating the development of Ionic projects and participated in coding these projects.

### FREELANCE DEVELOPER • JULY 1 2019 – PRESENT

I have worked on projects for local businesses and non-profits. Most notably, I developed a website for popular dessert venue in Knoxville called Sno Cream.

## EDUCATION

---

### HIGH SCHOOL DIPLOMA • MAY 2013 • HARDIN VALLEY ACADEMY

I graduated from this institution with a high school diploma. I focused on health sciences education
